## Monthly Area Update February 2020

**Area update covering Kirkby Lonsdale, Burton, Holme, Preston Patrick, Preston Richard, Lupton, Casterton, Sedgwick, Stainton, Old Hutton, New Hutton, and Natland.**

As some of you will already be aware probably the biggest change for us came in the shape of an organizational re shuffle in which Inspector Paul Latham was replaced by Inspector Jo Fawcett, and I'm sure it will be business as usual once she has settled in.

The early part of February was taken up by several days of Street safe surveys in Kendal, visiting residents and getting opinions as to what they feel are the local issues most affecting them. This was a multi-agency effort and many residents have filled out the survey forms results will be collated and discussed by all agencies involved to identify improvements or solutions to issues raised.

Also there seems to be a rise in the amount of telephone scams being brought to our attention, please do not divulge any personal details to any incoming phone calls, scammers have ways of displaying telephone numbers that are not the lines they are calling from if in doubt hang up and seek advice.
