

## Sedgwick Parish Council Reports

### Sedgwick Village Hall

Just to let you know our hall insurance renewal in October now includes free cover for the defibrillator so no longer need to ask for payment from Parish Council.

However, I have just paid for replacement pads for the equipment and updated the information for N/W Ambulance Service. The pads originally supplied, though thankfully not used, expired in July. The new ones are valid to March 2021 and cost £41.57. Would the Parish Council be willing to pay for these? Could you let me know after your next meeting.

Thank you – Diana Holmes
